

WORK AND TRANSPORTATION TABLE – WITH ELECTRIC HEIGHT ADJUSTMENT **LEOWORK**

Electric height adjustment with integrated rechargeable battery (works independently from power supply).

- *mobile work, transportation, or storage table – e.g. for easy handling of paper in small print shops*
- *infinitely variable electric height adjustment with integrated rechargeable battery (working independently from power supply)*
- *control switch for easy lifting and lowering of the table top from 610 to 1000 mm*
- *optical indication of the status of the rechargeable battery*
- *quiet electric motor*
- *automatic power cut-off if not in operation*
- *electronic overload control (stops upward movement if table jams up)*
- *sturdy table top with a high lift load of up to 50 kg*
- *solid handle for easy transportation on the table*
- *sturdy steel column and solid chassis*
- *smoothly rolling, lockable castors*
- *complete with AC adapter and power cord for re-charging*
- *colour pearl grey*

TECNICAL DATA	LEOWORK
Max. lift load in kg	50
Dimensions H x W x D in mm	610 – 1000 x 650 x 650
Table size W x D in mm	650 x 585
Weight in kg	25
